"Fakebook" Project: Engineering or IT Biography - Rubric

Task	Score
Friends The Fakebook includes completed 'blocks' on the left-hand side (e.g. "friends", "hobbies", "family"). Award 1 mark for each complete block, up to a maximum of 3.	0-3
Cover Image The Fakebook includes a cover image at the top of the screen behind the main profile image. Award 2 marks only if it has an obvious connection to the character.	0-2
Profile Information The Fakebook includes profile information (birthday, family members, place of birth, job, interests…)	0-2
Posts The Fakebook "Wall" includes a series of (dated) posts which outline the key events taking place in the character's life and career	0-2
Comments Other historically accurate characters comment on these posts offering their opinions on the events, achievements and failures being described	0-2
Video The Fakebook embeds at least one YouTube video that is relevant to the story, with a "Wall Post" from the character explaining why it's included.	0-1
Overall Judgement Three further marks are available for the general impression created by the Fakebook – does it sound realistic / written clearly and so on?	0-3
