# The Age of Reform - Group Notes & Poster Project

**DAY 1:**

***Task: Research the Reform Movements of the Early to Mid 1800s***

1. You will get a textbook.
2. You will be assigned a number which corresponds to a group.
3. You will go to his/her group.
4. You will read the pages assigned below.
5. You will take notes on the pages assigned below using the worksheet. (Use the 5W Worksheet)
6. You will then talk about the chapter in your group and compare and contrast, notes and add or delete information as necessary.
7. After 20 min you will send a group member to each of the groups to discuss your findings with that group. You will have to visit each group. Send a different member to each group and use a 5W Worksheet to gather your information.

By the end of Day 1 You should be an **expert** in his/her field of study for this project, and know the information for all of the other Reform Movements.
