Regents Review Saturdays Jan 8, 15, 22

For three (3) Saturdays explore 1 topic for use in your thematic and/or DBQ essay. We will discuss the past 18 essay topics and apply them to World War II, so you can use that subject for as many topics as possible. We will be working for three (3) hours each week for three (3) weeks from 9a-12p.

This will assist you in preparing material for the NYS Regents Exam on January 28, 2011. See you then!!

Thanks,

Mr. Ott
