Name: _____ Date: _____

We Didn't Start the Fire Extra Credit Project

Directions:

1. From any of the time periods listed on the lyric sheet, select the four (4) names or events that you think are the most important.

Global History Class:
They must be from Global History - Do not Use US History Events unless the US was involved in that history event. ie: Cold War (Soviet Union vs. United States)

US History Class:
They must be from US History - Do not Use Global History Events unless the US was involved in that history event. ie: Cold War (Soviet Union vs. United States)

2. Select Two (2) additional events from that time period that are not mentioned in the song.

3. Identify these 6 in some form (Poster, PowerPoint presentation, simple definitions). Nothing fancy, but try to be creative.

4. The song ends in 1989. With the basic structure in mind, update the song to the present (8 lines minimum) and adapt a new chorus. Be creative. It does not have to be Pop, it can be any musical format including, but not limited to, Rap.

5. You will be submitting this in electronic form to Mr. Ott for grading.
