The Enlightenment Fakebook Project

The purpose of the project is to create a Facebook page on a historical figure in The Enlightenment. Use this sheet to complete your research before you begin constructing the page and finding pictures. You will use PowerPoint to create your Fakebook page. While you are working on your page, you may save it to your flash drive or you're the Dropbox Folder located on the project webpage. Be very creative, you might be asked to present this project in class or might be displayed around the school or on a bulletin board.

Create a Fakebook page for a historical figure using the following guidelines:
